for “A Healthy Way of Life”[®]

PROUDLY MADE IN THE USA SINCE 1996

We will never compromise our products, values, or integrity by looking for shortcuts. We strongly believe in producing the highest quality products, abiding by U.S. Government instilled guidelines, supporting our economy and keeping jobs in America. Every WellnessMats employee is exceptionally proud of our 100% Made in America products and policies. Our strong sense of pride is clearly demonstrated in our marketing, media, and manufacturing campaigns. This synergy is contagious and reflected in every Smart Step Mat produced.

FROM OUR PRESIDENT

“When we started manufacturing our premium APT flooring products, we had no idea of the tremendous impact we would have on countless lives. The thousands of astonishing testimonials have always and will continue to encourage us. Not many companies are fortunate enough to be a part of such an inspirational, well-being movement. In exchange for your overwhelming support, we at WellnessMats will never compromise our values and commitment to exceptional quality.”

– Daniel Bouzide

20-YEAR MANUFACTURER'S WARRANTY

Only WellnessMats offers the most comprehensive, "Best-in-Class", 20-Year Manufacturer's Warranty. With our extensive and proven track record in many commercial environments, WellnessMats can confidently stand behind this guarantee. With our manufacturer located in the United States, we comply with all stringent US regulations. WellnessMats proprietary "Advanced Polyurethane Technology" (APT), allows our mats to be free of Formaldehyde, Heavy Metals, PVC's, Latex, Plasticizers, Phthalate, or any other fillers. When used in a residential setting, this allows us to warrant every WellnessMat against any defects in materials and workmanship for 20 years with great pride.

WELLNESSMATS PERFORMANCE WARRANTY

As a part of the 20-Year Manufacturer's Warranty, WellnessMats also includes a 7-Year Performance Warranty, which specifically calls out our commitment to:

REMAIN UNMATCHED IN COMFORT

WellnessMats provide the optimum in comfort and relief. The ¾" Advanced Polyurethane Technology (APT) composite, effectively suspends body weight, thus reducing impact on the back, legs, and feet, while encouraging proprioception (rebalancing). This exclusive advantage results in unmatched and consistent comfort.

ALWAYS LIE FLAT

The 20 degree, gradually beveled edges of a WellnessMat will never roll up, which prevents dangerous trip hazards. Distinctive to WellnessMats, our APT includes 100% memory properties, meaning the mat is cured flat and will always remain flat.

NEVER DELAMINATE

The unique one-piece construction of the WellnessMat eliminates the need for glues or toxic bonding agents that often break down in time. Our mats will never separate, bubble up, ripple, or tear as a result of broken down glues.

NEVER COMPRESS

WellnessMats have an unprecedented immediate recovery (bounce back) and are guaranteed to never lose their form. The one-piece APT polyurethane construction will not compress (squish down) creating dangerous high and low spots or lose resiliency. This results in consistent comfort, even where the most frequent standing occurs.

OFFER REPLACEMENT COVERAGE

If a WellnessMat is found to be defective as per the warranty, a full replacement mat or allowance toward another Wellness Mat will be offered. WellnessMats reserves the right to determine if a mat is considered warranted, normal wear and tear, or other.

OFFER ACCIDENTAL REPLACEMENT COVERAGE

Every WellnessMat comes with an Accidental Replacement Allowance. If a mat has been accidentally damaged and not covered under the 20-Year Manufacturer's Warranty, a replacement allowance will be available towards the cost of a new WellnessMat. Contact your Retailer or WellnessMats Customer Service Department for more information.
